

Llangurig Community Centre Limited

Equal Opportunities Policy

1. Policy

- 1.1. Llangurig Community Centre Limited (LCC) is firmly committed to striving for equality of opportunity. The policy applies to all matters relating to employment and services affecting individuals and groups whether they are actual or potential employees, volunteers or users.

2. Statement Underpinning the policy

- 2.1. LCC recognises that certain groups and individuals experience the negative effects of discrimination, which lead to unequal access to communal resources and services. This restricts opportunities for people and groups to be involved in their communities. LCC acknowledges the need to broaden the use of its facilities and service, and is committed to converting their Equal Opportunities Policy into good practice.
- 2.2. To this end, it will oppose actively all forms of unlawful discrimination and will take positive steps to implement policies and practice which will counter direct and indirect discrimination on the grounds of race, gender, sexuality, disability, age, ethnic origin, nationality, commitment to dependants, religion, marital status, class or employment status.

3. Context

- 3.1. The Equal Opportunities Policy will provide the working framework which will guide practice. It is set within the legal context of the 1976 Race Relations Act, the Sex Discrimination Act 1986 and the Disability Discrimination Act 1995.

4. Implementation

- 4.1. LCC will not discriminate against employees, volunteers and service providers.
- 4.2. LCC will not discriminate against individual hirers, users or groups when considering taking bookings to use Llangurig Community Centre or whilst they are using the facilities.
- 4.3. LCC will work actively to make the premises fully accessible to not only the disabled, but to the elderly, young people, parents with pushchairs and suppliers making deliveries.
- 4.4. LCC will undertake to encourage activities that reflect the cultural needs of different groups.
- 4.5. The development, implementation, monitoring and review of this Equal Opportunities Policy is an ongoing process designed to ensure good practice.
- 4.6. Within resource constraints, LCC will work towards improving the quality of life of all employees, volunteers, users and hirers of the facilities.
